Textural Masterpiece

Wood Fantasy Collection is a tactile journey for the senses. Each panel features a carefully curated surface texture that invites touch, ranging from silky smooth finishes that glide under your fingertips to subtly embossed patterns that add depth and intrigue. This tactile diversity not only enhances the visual appeal but also creates a multi-sensory experience in any space.

Mixed Oak - Thermo and Natur

Dimensions: 800-2000 x 100 x 20 mm

Mixed Nordic Pine - Thermo and Natur

Dimensions: 1000-1200 x 100 x 20 mm

Light Interaction

These panels are designed to dance with light. As natural daylight shifts throughout the day, the wood grains come alive, revealing hidden depths and subtle color variations. In the evening, strategic lighting can transform the panels into dramatic focal points, casting captivating shadows and highlighting the wood's natural beauty.
